

Petrol and diesel

Compare petrol and diesel prices in Northern Ireland and learn ways to save money on fuel costs.

The majority of us rely on petrol or diesel to travel. Read our information below on how to save money and make the fuel you buy go further

Ways to save money on petrol and diesel

- Keep your tyres inflated - reduce the drag
- Declutter your car - Less weight means less fuel
- Don't fill your car up - fuel is heavy
- Brake and accelerate less - they burn fuel
- Avoid stopping and starting where possible - roll up slowly
