# Director of Infrastructure & Sustainability

**Salary: £55,207 - £59,049**

**Location: Belfast**

**Closing date for applications: Tuesday 23rd July 2024 at 5pm.**

## **The role**

The Consumer Council is recruiting for a Director of Infrastructure and Sustainability, reporting to the Chief Executive, as a member of our Senior Leadership Team.

If you share our passion for championing consumers, this is an exciting opportunity to lead our policy, regulatory and advocacy work in the energy, transport and water sectors, to support a just and fair transition to net zero for all consumers.

You will support the delivery of our 2021-2026 Corporate Plan and rolling annual work programmes, collaborating with colleagues and stakeholders across government, industry, academia and civil society to empower consumers, and grow their confidence and resilience.

## **Eligibility criteria**

You will need a proven track record of:

- Recent experience of working in regulated markets and/or sectors.
- Developing and implementing strategy, policy and/or business plans.
- Embodying values-based leadership and communication to achieve strategic priorities.
- Collaborating to build effective stakeholder networks and trusted relationships.
- Representing an organisation at local, regional and/or national levels.
- Managing budgets and delivering value for money solutions.

## **Benefits**

At the Consumer Council, you will receive an excellent pension scheme with 30% employer contribution, 25 days annual leave and 12 statutory holidays and excellent opportunities for professional development.

The Consumer Council currently operates a hybrid working model.
